

Vision Statement

To be the preferred provider of Modular Building Solutions for all sectors and for all customers, delivering timely and quality outcomes to our Customers, Staff, Shareholders and Stakeholders.

Mission Statement

The mission of Nomad Modular Building Pty Ltd in achieving its vision of becoming the provider of choice with respect to Modular Building Solutions, is encompassed in the company following key objectives.

- ◆ To provide an environment for our Employees, Contractors, Suppliers and Clients where our attention to safety is priority and paramount to success.
- ◆ To provide a timely and quality standard of product and service, that surpasses any industry competitors and genuinely delights our customers.
- ◆ To promote an operating culture of openness, accountability, honesty, trust and integrity in all of our business associations.
- ◆ To provide a platform where all employees can grow with the company in developing their skills and benefiting from the vast amount of key management expertise.
- ◆ To deliver above average returns to all of our Shareholders, Customers, Staff and Stakeholders.
